## Our Objective

Our objective is to provide a fun and engaging summer program for middle school participants. Middle school participants may register for 1 or all 4 weeks. Each week will have a different emphasis but will all encompass travel, recreation, exploration of new skills and connection between participants.

Terms used to describe fee structure:

- Registration fee- This fee is \$40 per camper and is charged regardless of the camp or combination of camps attending. The \$40 is non refundable and includes a camp t-shirt, camper ID, book bag tag and guardian hang tag.
- Tuition fee- Tuition is the weekly amount due for the camp you select during the membership registration. All invoices must be paid by Wednesday or your child will be removed from the drop off roster. During registration 1 week of camp is due up front.
